

## Privacy Policy Contact Information

OpenExO (E.W.Europe S.L.U; ESB19634187) is the data controller of the personal data you give us. We inform you that your data will be processed according to the General Data Protection Regulation (EU) 2019/679 of April 27<sup>th</sup> 2016 with regard to the protection of the natural person in the Spanish Organic Law 3/2018, of December 5<sup>th</sup> (LOPDGDD), with respect to the processing of personal data and the free movement of data, therefore:

- **End of processing:** To answer your questions with regard to our products and services described in our web and requested by you in our form and to send commercial communications.
- **Data storage criteria:** Data will be kept during the existence of mutual interest in order to carry out the end of the processing.
- **Data transmission:** Unless required by law or to deliver the services, we will not transfer your data to third parties.
- **Legitimacy:** By checking the submit box you are giving your consent for the treatment of your data according to the ends of processing established here.
- **User rights:** The user has the right to withdraw consent, access erasure, data portability, object and notification of data breaches. In addition, the user has the right to lodge a complaint with a supervisory authority. The user can file a claim to the control Authority through the [AEPD](#) portal, if the user considers that this processing is not adjusted to the current legislation.
